

NO ADDED SUGAR

CLEMENTINE, ORANGE & BERGAMOT

Inspired by the orangeries from Grand old English houses, our vibrant orange cordial has a sweet citrus scent balanced with the bright, energetic flavours of the clementine blended with the floral fragrance of bergamot.

LEMON, CUCUMBER & MINT

Sunshine in a glass, the lively and zesty character of this delicious lemon cordial will keep you refreshed and revitalised. With a splash of a crisp, cool, cucumbers swirled together with mint leaves for an intense flavour it will spring you into action.

RASPBERRY & LAVENDER

With velvety raspberries mixed with lavender adding a delightful element to this cordial, a lively infusion, bursting with the taste of summer. Perfectly blended to produce a refreshing drink, to remind you of whimsical summers in a secret garden.

RHUBARB & ROSE

A delicious blend of Rhubarb & Rose this cordial epitomises the Great British Garden. A gorgeous deep pink colour this is a wonderful blend of sharp rhubarb with a wildcard finish of Rose, perfection in a bottle!

ROOTS & SPICES

SARSAPARILLA

A woody tasting cordial dating from the 18th century, often compared to American Root Beer but milder and less medicinal tasting than its American counterpart.

DANDELION & BURDOCK

D&B shares its origins with a number of drinks originally made from lightly fermented roots. Take a trip back in time with a glass of this nostalgic original classic cordial.

LEMON & GINGER

Warm or chilled with sparkling water the refreshing zest of lemon and wonderfully aromatic ginger will revive and restore balance.

GINGER

This wonderfully aromatic is intended for those purists amongst us who love their ginger with a bit more bite. Just as great as a hot toddy or as chilled with sparkling water.

BLACKCURRANT & LIQUORICE

Blackcurrants fused with liquorice, blended together in Lancashire, England to make our wonderful signature flavour. A great alternative to a caffeine based Hot Beverage.

CREAM SODA

Our Cream Soda contains vanilla which etymologically speaking comes from the Spanish word 'Vainilla' or 'little pod' and is the second most expensive spice after Saffron. Vanilla is believed to have been introduced to Europeans by the Spanish conquistador Herman Cortes.

IRON BREW TONIC

Now you can experience our unique Lancashire made Iron Brew Tonic as a Cordial. We left out the girders but we did add real iron.

ROOT BEER

Made to an original old Fitzpatrick's recipe it is a blend of sarsaparilla, aniseed notes, liquorice root and vanilla beans to name but a few of the ingredients that give our Root Beer its truly authentic taste.

FRUITS & FLOWERS

BLOOD TONIC

Blood tonic was a traditional 19th Century health drink served in the many Northern England temperance bars, the combination of rosehips and nettles was said to be packed full of benefits.

GOOSEBERRY & ELDERFLOWER

Beautiful Pale greeny/gold in colour. Made from an infusion of Fragrant English Elderflowers blended with the sharp distinct flavour of Gooseberries with notes of muscat grape. Slightly dry, sophisticated drink.

RHUBARB & ROSEHIP

Our poshest botanical tippie takes its roots from Joseph Myatt who is given the credit of popularising rhubarb on the British Isles, Myatt was a nurseryman who on an early spring morning in 1808 set out five bundles of rhubarb for sale at the fruit and veg market in Covent Garden. The rest as they say is history.

CRANBERRY & POMEGRANATE

Natural cranberry and pomegranate flavours give this new addition a very cheery taste. Its sweet and tart flavour notes make for the perfect summer cooler and hot toddy.

SOUR CHERRY, RED GRAPE & HIBISCUS

A mix of darkly rich red cherries and fruity red grapes with added notes of hibiscus. Released in 2014 this drink has become a firm favourite and one of our top selling cordials.

LIME & LEMONGRASS

As refreshing as it is cleansing, this light fusion of flavours is perfectly blended to produce a refreshing summertime drink in fact ... anytime drink.

STRAWBERRY & KIWI

If you are not already a fan of strawberries you should be. Not only are they delicious, they are a bona fide superfood too. Nutrient rich Strawberries packed with anti oxidants combine with our natural kiwi tippie.

SUPERIOR BLACKCURRANT

Deep purple in colour this cordial has a rich velvet finish, made from all natural ingredients, free from additives and artificial colourings.

ELDERFLOWER & APPLE

This beautiful cordial is one of which we are tremendously proud, made from only the finest natural ingredients, sourced from English orchards and English elderflower fields.
